MEMORANDUM FOR: Chief, Strategic Forces Division, OSR

ATTENTION:

SUBJECT: Search for Scaleboard Field Sites near  
MR/IRBM Complexes

REFERENCE: CIA Requirement C-SRO-86,056  
dated 28 January 1970  
NPIC Project 250666

1. This memorandum is in response to your requirement which requests a search of all KH-4 [ ] photography since [ ] that falls within a 25-nm radius of the Sary Ozek Scaleboard Site, Simferopol MRBM Site 2, and Gvardeysk MRBM Site 1 for evidence of Scaleboard vehicles or field sites.

2. A search has been conducted on past missions in the areas surrounding both MR/IRBM and ICBM complexes, particularly those exhibiting Scaleboard activities or fan-shaped pads and a report on any findings has been given in the respective OAK for that mission. A second search in these respective areas is made as part of the overall mission exploitation phase. Based on these two searches, NPIC is highly confident that no additional Scaleboard vehicles or field sites have been detected. This type of search will be conducted on all future satellite missions and the results will be incorporated in the OAK reports.
